This lovely top-floor 2 bedroom apartment is right in the heart of Puerto del Carmen, close to the Casino area, so you have everything on your doorstep, restaurants, shops, and the seafront all within easy reach. It's on a small, quiet residential complex, and one of the nicest things about it is the large garden area in front of the properties, which gives the whole complex a much more open and spacious feel than you would normally expect in such a central location. The apartment itself is in great condition and is sold fully furnished, so it's an easy option whether you're looking for a holiday home or a main residence. Inside, the layout works really well, with an open-plan living and kitchen area, plus air conditioning...
