Tias

Beds: 4 Bath: 2 Property Type: Villa Built Size: 162 sqm Plot Size: 1000 sqm

Price: **€410,000**

Sitting in an elevated position just outside the village of Tias, this impressive property boasts lovely sea views from the living room, master bedroom and front terraces. Built on one level, the villa has four double bedrooms, with the master having ensuite bathroom, air conditioning and French doors onto the terraces. The very spacious living room makes the most of the views with a huge window facing south, there is an adjoining dining room with access to the sunbathing terraces and private swimming pool. The fully fitted kitchen is bright and modern including double pyrolytic ovens and gas hob. There are two utility/storage rooms and a second bathroom with walk in shower. The 1000m2 plot means plenty of outside space, with picon gardes,...
