## Puerto Calero

Beds: 5 Bath: 5 Property Type: Villa Built Size: 505 sqm

The marina of Puerto Calero is closely linked to excellence and high quality that not only offers a refuge for sailors seeking tranquillity, but has also established itself as one of the most valued areas of the island of Lanzarote. With exceptional views of the port, this exclusive villa opens its doors directly to the Atlantic Ocean from its "Infinity Pool" and its magnificent outdoor spaces. Modern in style, with three levels, its finishes are of high quality and it has a selection of works of art signed by local authors that, with the help of well-studied furniture: wood, fabrics and steel, create a warm atmosphere while elegantly understated. The splendid terrace with pure art sculpted on its walls, has an infinity pool where...
