Discover this spectacular triplex that combines spaciousness, comfort, and a functional design on every floor. With a terrace that wraps around the entire home, you'll enjoy natural light all day long and multiple outdoor spaces to relax or share with family and friends. Main floor: A cozy living room, a fully equipped kitchen, a comfortable bedroom, and a full bathroom create a practical and well-distributed space for everyday living. Upper floor: You'll find two bedrooms—one with an elegant walk-in closet—a full bathroom, and two private balconies, ideal for enjoying the views and the peace. Basement level: Perfect for guests or creating multifunctional spaces, this floor includes two additional bedrooms, a spacious...
