Haría

Beds: 6 Bath: 5 Property Type: Villa Built Size: 490 sqm Plot Size: 1017 sqm

Price: **€798,000**

Nestled in the tranquil village of Haría, this extraordinary historic estate offers a rare opportunity to own a piece of Lanzarote's cultural heritage. Set on a spacious 1,017 m² plot, the property combines timeless architecture, breathtaking surroundings, and exceptional versatility—making it ideal as a family residence, boutique hotel, or investment project. Originally constructed in 1929, the home has been lovingly preserved, maintaining its authentic Canarian character while offering abundant scope for modern updates. With 490 m² of built space across two floors, the interiors are filled with natural light, featuring high wooden ceilings, traditional stonework, and elegant original finishes. The heart of the...
