This stunning villa, located in the peaceful village of El Islote at the heart of the island, could be yours! Here's your chance to make your dream of a spacious, beautiful home a reality. Every morning, you'll wake up to breathtaking views over volcanoes and lava fields, and each evening, you can watch the sun set behind those same volcanic peaks — a truly unique, picturesque scene that's rarely found. Upon entering, you're welcomed into a front hall that leads to a spacious, fully equipped kitchen. Across the hall is a warm, inviting living room, and straight ahead, a second hall opens with a striking built-in lava garden at its centre. This area is flooded with natural light from the glass tiles in the high...
