Located in a modern and newly built building with a beautiful entrance that gives the building uniqueness. The apartment stands out for a successful distribution, to facilitate the day to day prioritizing the functionality of the spaces. In the finishes, a very neutral range was chosen that results in simple but elegant lines where the white color predominates, unifying the spaces of the house. Living room-kitchen, 3 bedrooms, 2 bathroom are the elements that make up this apartment, which catches the exterior lighting, generating a lot of light in the most basic areas of the house, such as the living room and the kitchen. On the floor as accessed, a totally open space has been created integrating the kitchen into the living-dining room,...
