Welcome to this beautifully restored Canarian farmhouse that seamlessly marries tradition with modern comforts, offering four distinct self-contained apartments and a charming bungalow, benefiting from a central courtyard and a private swimming pool, currently operating as a guest house complete with a VV license. Step into a realm of authentic Canarian heritage that has been thoughtfully transformed into an enchanting living space, capturing the essence of both past and present. The property features four self-contained apartments, each with its own unique character, and a cozy bungalow, all radiating around a central courtyard. There is a generously sized swimming pool which is solar heated, serving as the focal point of the courtyard, accompanied...
