Macher

Beds: 4 Bath: 3 Property Type: Villa Built Size: 225 sqm Plot Size: 2500 sqm

Price: **€555,000**

A rare opportunity to purchase a detached villa on a large plot in lower Macher. A sought after area of the island due to its land size, sea views and close proximity to the coast. The house itself is set on a spacious plot with options to create a grand driveway, vast gardens and outdoor space. It is presented as a 4 bedroom, 3 bathroom villa at one side of the dwelling. Three of the double size bedrooms are on the ground floor with the fourth being on the upper floor with its own washroom and beautiful sea views from the south facing balcony. There is a spacious porch entry way, a recreational space and living room that can also double up as a fifth bedroom if needed, an open plan dining and living space with vaulted ceilings, along with...
