Tias

Beds: 2 Bath: 1 Property Type: Apartment Built Size: 70 sqm

Price: **€150,000**

We can offer two beautifully renovated apartments in a brilliant location in Tias. The apartments themselves are conveniently located next to all amenities such as supermarkets, the health centre and bars and restaurants. There is also plenty of parking next to the building. The building is coded and secure with only residential access in and out. The two apartments are both open plan in the kitchen and dining area, with a Juliette balcony to open out to the street. Both have two double bedrooms and one fitted bathroom. There is the added bonus of a solana attached to the back bedrooms which are perfect for relaxing or hanging out laundry, along with the outdoor terrace at the back for more outdoor space. There is new flooring throughout. All...
